

## Introduction for Nancy Burks Worcester

Nancy Burks Worcester has been a storytelling ventriloquist for more than 25 years and has traveled all over the United States, Mexico and Canada. She has starred in her own television

show, performed before hundreds of thousands of people of all ages and is an award-winning performer and author. She was roundly rejected by all three celebrity hosts on "America's Got Talent" which only made her aware of how little the opinion of others really matters. She lives in Granbury with her firefighter husband and four rescue dogs and is a grandmother to three with another on the way. She will glad tell you about any of them - just ask her!
